ST MARGARET'S

Dunfermline

CHURCH OF
THE HOLY NAME

Oakley

Welcome to Fr Paul Capaldi who will celebrate the 9.30am Mass in Holy Name this Sunday

In St Margaret's next weekend

Fr Peter Walters will be here to make an appeal on behalf of the charity "Let the children live".

"Let the children Live!" is a charity that works in Colombia with children from the streets and shanty-towns of the city of Medellin. These children were once called 'the disposable ones' and although that name is no longer used they are still at high social risk from the violence that they experience in the streets and shanty-towns of the cities such as Medellin. Most of the danger in the shanty-towns comes from the many gangs (or bandas) that control them. Let the children live! Is at present working with 320 very vulnerable boys and girls in this city. For most of them it is their last hope. Their ages range from babies to teenagers and they are often unloved and unwanted; even beaten, robbed, raped and sometimes murdered. By the rest of the world they are either unknown or forgotten. The charity, which was founded by Fr Peter Walters, aims to safeguard the lives of these children from the poverty and violence of the streets and shanty-towns, and to make their lives worth living by giving them love, education and a future.

Cheronbyl Children's Lifeline
